Richard,

I'd simply ask you to reconsider agreeing to a continuance. Otherwise, we will file a motion to continue and revise the district court filing and raise all those issue before the 25th.

[REDACTED]

Continuing to October will put us in a positing to continue to work towards a global resolution on all matters.

Thank you,

Gabriel Canto

Dear Mr. Canto,

I appreciate you taking the time to talk with me this Tuesday, July 1, about Mr. Kennard's upcoming revocation hearing. You mentioned that he gave you the petition and we discussed the possibility of continuing the case until the next BODA hearing in October of this year. I've discussed the matter with the office and I cannot agree to a continuance. That's not to say BODA won't grant one, but given the time constraints on this case, I'm unable to agree to an extension.

Is there anything else you need from our office concerning the revocation petition?

Kind regards,

Richard
