RESPONDENT'S NOTICE OF APPEAL

TO THE HONORABLE BOARD OF DISCIPLINARY APPEALS:

Respondent, TRAVIS ALLAN BRYAN I, appearing *pro se*, files this *Notice of Appeal* from the Judgment of Probated Suspension rendered by Evidentiary Panel 4-3 of the State Bar District No. 4 Grievance Committee in the above-referenced matters on June 25, 2026, and in support thereof respectfully shows the Board as follows:

- Party taking the appeal.** Respondent, Travis Allan Bryan I, State Bar of Texas Card No. 24095621, 430 Redway Ln., Webster, Texas 77598; telephone: (281) 977-9317; email: travis.bryan@americuslegal.com. Respondent appears *pro se*.
- Proceeding below.** State Bar of Texas Case Nos. 202306347 [Williams] and 202307001 [Butcher], styled *Commission for Lawyer Discipline v. Travis Allan*

Bryan I, before Evidentiary Panel 4-3 of the State Bar District No. 4 Grievance Committee, Harris County, Texas. Erin E. Lunceford served as Presiding Member. The evidentiary hearing was conducted by video conference on June 3, 2026.

3. **Judgment appealed from.** The Judgment of Probated Suspension, which imposed a two-year fully probated suspension beginning July 1, 2026, and ending June 30, 2028, restitution of \$27,000.00 to Dwayne Everett Williams and \$1,000.00 to Christopher James Butcher, attorneys' fees of \$4,312.50 and direct expenses of \$1,675.00, four additional hours of continuing legal education in Law Practice Management, and additional terms and conditions of probation.

4. **Date of the judgment.** The Judgment was signed on June 25, 2026, and was transmitted to Respondent under cover of a letter of that date from John S. Brannon, Assistant Disciplinary Counsel, served electronically via email on June 25, 2026.

5. **Timeliness.** On July 27, 2026, Respondent timely filed his *Combined Motion for New Trial (New Hearing), Motion to Modify, Correct, or Reform the Judgment, and Motion for Additional and Amended Findings of Fact and Conclusions of Law*, which also requested a stay. The Evidentiary Panel has not ruled on that motion. Because a motion for new trial and a motion to modify the judgment were timely filed, this Notice of Appeal is timely under BODA Internal Procedural Rule 4.01(d).

6. **Relief sought.** Respondent appeals from the Judgment in its entirety, including the findings of professional misconduct, the sanction imposed, the

restitution awards, the award of attorneys' fees and expenses, the payment schedule, and the denial by operation of law of the relief requested in the Combined Motion. Respondent desires to reverse, vacate, modify, or reform the Judgment and to obtain such other relief as the Board may determine is warranted.

7. **Record.** Contemporaneously with the filing of this Notice, Respondent has made a written request to the court reporter for the Evidentiary Panel, Cindi Bench Court Reporting, for preparation of the Reporter's Record of the June 3, 2026, evidentiary hearing, and has filed a copy of that request with the Evidentiary Panel and with this Board and served it on Petitioner.

8. **Oral argument.** Respondent requests oral argument and will note the request on the front cover of his brief.

WHEREFORE, PREMISES CONSIDERED, Respondent respectfully gives notice of appeal to the Board of Disciplinary Appeals from the Judgment of Probated Suspension described above, and requests that this appeal be docketed and that the clerk's record and reporter's record be filed in accordance with the applicable rules.

Respectfully submitted,

/s/ Travis Allan Bryan I
