FIRST AMENDED PETITION FOR RECIPROCAL DISCIPLINE

TO THE BOARD OF DISCIPLINARY APPEALS:

The Commission for Lawyer Discipline (hereinafter referred to as the “Commission”), brings this action against Respondent, Afamefuna Ikenna Pride Okeke, and would show the following:

1. This action is commenced by the Commission pursuant to Part IX of the Texas Rules of Disciplinary Procedure (the “TRDPs”). The Commission is also providing Respondent with a copy of Section 7 of this Board’s Internal Procedural Rules, relating to Reciprocal Discipline Matters.
2. Respondent is a member of the State Bar of Texas and is licensed and authorized to practice law in Texas. Respondent may be served with a true and correct copy of this First Amended Petition for Reciprocal Discipline at Afamefuna Ikenna Pride Okeke, 2616 Hadley Circle, Sugar Land, Texas 77478-1867.
3. On or about January 6, 2025, a Final Order was entered in the matter styled, Proceeding No. D2024-18, *In the Matter of Afamefuna Okeke, Respondent*, United States Patent and Trademark Office, Before the Director of the United States Patent and Trademark Office (the “Final Order”), resolving the United States Patent and Trademark Office’s disciplinary action against Respondent. *See* Exhibit 1. The Final Order states in relevant part:

FINAL ORDER

The Deputy General Counsel for Enrollment and Discipline and the Director of the

Office of Enrollment and Discipline ("OED Director") for the United States Patent and Trademark Office ("USPTO" or "Office") and Mr. Afamefuna Okeke ("Respondent"), have submitted a Proposed Settlement Agreement ("Agreement") to the Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office ("USPTO Director") for approval.

The Agreement, which resolves all disciplinary action by the USPTO arising from the Joint Stipulated Facts set forth below, is hereby approved. This Final Order sets forth the parties' stipulated facts, legal conclusions, and sanctions.

...

Joint Stipulated Facts

Practice Background

5. Mr. Okeke graduated from law school in 2021, and he gained licensure to practice law in Texas (Bar Card # 24120500) in October of the same year. He also gained licensure to practice law in New York (Registration # 5937826) in January 2023.

6. From 2021 through 2023, Mr. Okeke's legal practice consisted of USPTO trademark matters, document review, and business matters. In 2022, his practice before the USPTO in trademark matters, including in trademark filings and TTAB matters, consisted of approximately 70% of his work and 70% of his income. In 2023, his practice before the USPTO in trademark matters, including in trademark filings and TTAB matters, consisted of approximately 70% of his work and approximately 70% of his income. In each of those years, the other 30% of his work and income was for document review and business matters.

7. Mr. Okeke acknowledges that during his practice before the USPTO in trademark matters, he lacked a full understanding of the USPTO trademark signature rules and the U.S. Counsel Rule.

8. Mr. Okeke also acknowledges that he lacked understanding of the requirements for creating and monitoring sponsored USPTO.gov accounts in accordance with the USPTO-sponsored account agreement.

9. During the relevant period, Mr. Okeke's clientele was primarily foreign-domiciled, with over 95% of his clients domiciled in either China or India. Beakpo Corporation (January 2022 to July 2022)

Beakpo Corporation (January 2022 to July 2022)

10. Respondent was the attorney of record for many foreign-domiciled trademark clients that Respondent received through his employment with Beakpo

Corporation (“Beakpo”) of Pearland, Texas.

11. Beakpo was owned by Shenzhen Pengzhiyun Enterprise Management Consulting Co., Ltd, (“SPEMC”) (loosely translated to 深圳市鹏之云企业管理咨询有限公司 in Simplified Chinese). According to its publicly available business license, SPEMC is located in Shenzhen, China.

12. Mr. Okeke recalled learning of a job offering with Beakpo via an online advertisement. Beakpo offered full-time employment for attorneys at a salary of approximately \$4,000 per month, and Mr. Okeke was hired as an employee by Beakpo in January 2022 under this agreement.

13. Mr. Okeke’s employment with Beakpo was terminated via a 30-day notice on June 30, 2022, and was effective on July 31, 2022. According to Mr. Okeke, he was laid off by Beakpo. The company voluntarily dissolved not long after Mr. Okeke was laid off.

Lyptus Partners Business Services Pvt. Ltd. (August 2022 to August 2023)

14. At all relevant times, Lyptus Partners Business Services Pvt. Ltd. (loosely translated to लिप्टस पार्टनर्स बिजनेस सर्विसेज प्रा. लिमिटेड in Hindi) (“Lyptus”) was a business located in Delhi, India.

15. In August 2022, Lyptus posted a “US Trademark Attorney Requirement” social media listing seeking an attorney to take over 300 cases for Lyptus. Lyptus hired Mr. Okeke in August 2022. The agreement was for Mr. Okeke to do two hundred-fifty (250) applications as a baseline each month for \$2,000 (i.e., \$8 per application).

16. Mr. Okeke sponsored accounts in connection with his trademark practice on behalf of Lyptus. These accounts included one for Paikar Louis and one for David Louise.

Mr. Okeke’s Trademark Practice

17. Mr. Okeke acknowledged that, at times, his review of trademark documents for Beakpo and Lyptus were not robust enough to meet the required standards for trademark practice before the USPTO.

18. Mr. Okeke did not reach out to contact his client applicants directly and he acknowledged a lack of understanding of how Beakpo and Lyptus interfaced with his clients. He did not make a reasonable inquiry into representations by Beakpo or Lyptus about each company’s respective process for obtaining “wet” signatures from his trademark clients that were entered on trademark documents that were later filed with the USPTO via TEAS.

19. Nor did Mr. Okeke make a reasonable inquiry to confirm how Lyptus was obtaining his client trademark clients' signatures that were entered on trademark documents using the DIRECT signature method and later filed with the USPTO via TEAS. Mr. Okeke was unsure if Lyptus was entering the signatures of his trademark clients.

20. OED uncovered at least 82 trademark applications associated with Lyptus where Mr. Okeke is identified as the attorney of record for trademark applicants where the applicants' signatures were entered on the application using the DIRECT signature method but that the client applicants did not sign themselves.

21. Mr. Okeke also acknowledges that he did not adequately supervise non-practitioner assistants Paikar Louis and David Louis. OED uncovered at least 19 trademark documents where Mr. Okeke is identified as the attorney of record for the applicant and Mr. Okeke's signature is entered on the document using the DIRECT signature method. The documents were filed via the account Mr. Okeke sponsored for Paikar Louis.

Additional Considerations

22. Respondent has never been the subject of professional discipline by the USPTO, and he represents that he has not been subject to discipline by any court, or any state bar.

23. Respondent has informed the Deputy Commissioner for Trademark Examination Policy of the improper signatures and provided an itemized list of the associated filings.

24. Respondent cooperated with OED's investigation, e.g., by agreeing to an online interview with OED and by providing timely, candid, and non-evasive responses to requests for information.

25. Respondent has acknowledged his ethical lapses, demonstrated genuine contrition, and accepted responsibility for his acts and omissions.

Joint Legal Conclusions

26. Respondent acknowledges that, based on the information contained in the joint stipulated facts above, that Respondent's acts and omissions violated the following provisions of the USPTO Rules of Professional Conduct:

- a) 37 C.F.R. § 11.101 (a practitioner shall provide competent representation) by, *inter alia*, (1) not possessing an adequate understanding of the USPTO trademark signature rules such that his non-practitioner assistants were impermissibly permitted to enter the signatures of the named signatories on trademark documents filed with the USPTO subjecting the marks to potential

his trademark clients' signatures were entered on documents later filed with the US PTO such that non-practitioner assistant entered his trademark client signatures on documents filed with the USPTO;

- e) 37 C.F.R. § 11.804(c) (engaging in conduct involving misrepresentation) by, inter alia, presenting trademark documents to the USPTO that were not signed by the named signatory on the document; and

--See Exhibit 1.

4. Respondent agreed to the entry of a sanction that resulted in his suspension from the practice of law before the USPTO for a period of thirty (30) days and to serve a probationary period of twelve (12) months commencing on the date the Final Order was signed. Said terms are contingent on Respondent's filing a petition for reinstatement to practice before the USPTO, and having said petition granted pursuant to 37 C.F.R. § 11.60. However, if Respondent fails to file a petition for reinstatement within twenty-four (24) months of the date the Final Order was signed, his probationary period ends on January 6, 2027.

5. An official copy of the Final Order, issued by the Director of the Office of Enrollment and Discipline ("OED Director") for the United States Patent and Trademark Office ("USPTO" or "Office"), is attached hereto as the Commission's Exhibit 1 and made a part hereof for all intents and purposes as if the same were copied verbatim herein. The Commission expects to introduce a certified copy of Exhibit 1 at the time of hearing of this cause.

6. The Commission brings this disciplinary action in accordance with the Chief Disciplinary Counsel's mandatory administrative obligations, as set forth in TRDP 9.01.

7. Respondent was disciplined by a federal court or agency within the meaning of TRDP 9.01. The Final Order found Respondent violated several USPTO Rules of Professional Conduct: (1) 37 C.F.R. §11.101 (a practitioner shall provide competent representation); (2) 37 C.F.R. § 11.103 (not acting with reasonable diligence); (3) 37 C.F.R. §§11.503(b) and (c) (responsibilities regarding non-practitioner assistants); (4) 37 C.F.R. §11.505 (assisting in the unauthorized practice of law); (5) 37 C.F.R. §11.804(c) (engaging in conduct involving misrepresentation) by, inter alia, presenting trademark documents to the USPTO that were not signed by the named signatory on the document; and (6) 37 C.F.R. § 11.804(d) (engaging in conduct that is prejudicial to the integrity of the trademark system).

8. One or more of Respondent's stipulated violations of the USPTO Rules of Professional Conduct corresponds to similar obligations in the Texas Disciplinary Rules of Professional Conduct (the "TDRPCs"). Those are:

- a. 37 C.F.R. §11.101 (a practitioner shall provide competent representation); and Rule 1.01(a) of the TDRPC, which sets forth that: "A lawyer shall not accept or continue employment in a legal matter which the lawyer knows or should know is beyond the lawyer's

competence, unless ...”. TEX. DISCIPLINARY R. PROF’L CONDUCT 1.01(a)(1)-(2).

- b. 37 C.F.R. §§11.503(b) and (c) (responsibilities regarding non-practitioner assistants); and TDRPC 5.03(a)-(b)(1), which sets forth that: “With respect to a non-lawyer employed or retained by or associated with a lawyer: (a) a lawyer having direct supervisory authority over the nonlawyer shall make reasonable efforts to ensure that the person’s conduct is compatible with the professional obligation of the lawyer; and (b) a lawyer shall be subject to discipline for the conduct of such person that would be a violation of these rules if engaged in by a lawyer if: (1) the lawyer orders, encourages, or permits the conduct involved ... ” TEX. DISCIPLINARY R. PROF’L CONDUCT 5.03(a)-(b)(1).

- c. 37 C.F.R §11.505 (assisting in the unauthorized practice of law); and TDRPC 5.05(a)(1)-(2), which sets forth that: “(a) A lawyer shall not: ... (1) practice law in a jurisdiction where doing so violates the regulation of the legal profession in that jurisdiction; or (2) assist a person who is not a member of the bar in the performance of activity that constitutes the unauthorized practice of law.” TEX. DISCIPLINARY R. PROF’L CONDUCT 5.05(a)(1)-(2).

- d. 37 C.F.R. §11.804(c) (engaging in conduct involving misrepresentation); and TDRPC 8.04(a)(3), which sets forth that: “(a) A lawyer shall not ... (3) engage in conduct involving dishonesty, fraud, deceit or misrepresentation;” TEX. DISCIPLINARY R. PROF’L CONDUCT 8.04(a)(3).

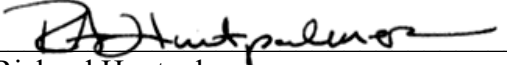

9. The Commission prays that, pursuant to Rule 9.02, Texas Rules of Disciplinary Procedure, this Board issue notice to Respondent, containing a copy of this First Amended Petition with exhibits, and an order directing Respondent to show cause within thirty (30) days from the date of the mailing of the notice, why the imposition of reciprocal discipline in this state would be unwarranted. The Commission also prays that upon trial of this matter this Board enter a judgment

imposing discipline identical, to the extent practicable, with that imposed by the United States Patent and Trademark Office, unless the Respondent proves by clear and convincing evidence that a Rule 9.04 defense applies. Further, the Commission requests such other relief to which it may be entitled.

FINAL ORDER

The Deputy General Counsel for Enrollment and Discipline and the Director of the Office of Enrollment and Discipline (“OED Director”) for the United States Patent and Trademark Office (“USPTO” or “Office”) and Mr. Afamefuna Okeke (“Respondent”), have submitted a Proposed Settlement Agreement (“Agreement”) to the Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office (“USPTO Director”) for approval.

The Agreement, which resolves all disciplinary action by the USPTO arising from the Joint Stipulated Facts set forth below, is hereby approved. This Final Order sets forth the parties’ stipulated facts, legal conclusions, and sanctions.

Jurisdiction

1. At all times relevant, Respondent of Houston, Texas, has been a Texas-licensed attorney (Bar Card # 24120500) in good standing who was engaged in practice before the Office in trademark matters. He also gained licensure in New York (Registration # 5937826) in January 2023.
2. Respondent is subject to the USPTO Rules of Professional Conduct, which are set forth at 37 C.F.R. § 11.101 through 11.901.
3. The USPTO Director has jurisdiction over this matter pursuant to 35 U.S.C. §§ 2(b)(2)(D) and 32 and 37 C.F.R. §§ 11.19, 11.20, and 11.26.
4. This disciplinary proceeding was brought pursuant to 37 C.F.R. § 11.32 and 11.39, and 5 U.S.C. § 558(c).

Relevant Laws, Rules, and Regulations

A. The U.S. Counsel Rule

On August 3, 2019, the Office’s “U.S. Counsel Rule” took effect. The rule requires any foreign-domiciled trademark applicant or registrant to be represented before the USPTO by an

attorney licensed to practice law in the United States. *See* 37 C.F.R. § 2.11(a); *Requirement of U.S. Licensed Attorney for Foreign Trademark Applicants and Registrants*, 84 Fed. Reg. 31498 (July 2, 2019) (“the U.S. Counsel Rule”).

The U.S. Counsel Rule was implemented in response to the increasing problem of foreign-domiciled trademark applicants who purportedly were *pro se* and who were filing inaccurate and possibly fraudulent submissions that violate the Trademark Act (Act) and/or the USPTO’s rules. Many appear to be doing so on the advice, or with the assistance, of foreign individuals and entities who are not authorized to represent trademark applicants before the USPTO. This practice undermines the accuracy and integrity of the U.S. trademark register and its utility as a means for the public to reliably determine whether a chosen mark is available for use or registration, and places a significant burden on the trademark examining operation. *See* 84 Fed. Reg. 31498, 31498-31499. The U.S. Counsel Rule’s requirement for U.S. licensed attorneys — who have ethical obligations to the USPTO and to their trademark clients— to represent foreign-domiciled trademark applicants and registrants before the USPTO was intended to (a) increase compliance with U.S. trademark law and USPTO regulations; (b) improve the accuracy of trademark submissions to the USPTO; and (c) safeguard the integrity of the U.S. trademark register. *See generally id.*

B. Trademark Electronic Application System and USPTO.gov Accounts

The Trademark Electronic Application System (“TEAS”) is the USPTO’s electronic trademark filing and prosecution system. Trademark documents are electronically prepared, signed, and filed via TEAS.

Save for exceptions not applicable in this case, one must have and use a USPTO.gov account to submit trademark documents via TEAS.¹

Attorneys may have their own USPTO.gov account to use when representing trademark clients before the USPTO. Additionally, attorneys are permitted to sponsor USPTO.gov accounts for a reasonable number of support staff. USPTO.gov account holders agree to the terms of the USPTO Trademark Verified USPTO.gov Account Agreement.

Responsibilities of Account Holder

The USPTO Trademark Verified USPTO.gov Account Agreement in effect in this matter sets forth the responsibilities of USPTO.gov account holders. Each of these responsibilities are intended to ensure that the account is not used by other persons or for improper purposes.

¹ General information about the use of USPTO.gov accounts for trademark purposes is found at the following USPTO webpages: (a) <https://www.uspto.gov/learning-and-resources/account-faqs>; (b) <https://www.uspto.gov/trademarks/login>; (c) <https://www.uspto.gov/terms-use-uspto-websites>; and (d) <https://www.uspto.gov/trademarks/protect/why-uspto-may-shut-down-usptogov-accounts>.

The account holder agrees not to permit others to use the trademark Verified USPTO.gov account login credentials issued to the person and to take reasonable steps to prevent others from learning such account login information. The account holder also agrees to promptly notify the USPTO if the holder becomes aware that his or her login credentials have been used by others. The account holder agrees that the trademark Verified USPTO.gov account will not be used in connection with the unauthorized practice of law.

Additional Responsibilities of Attorneys who Sponsor Accounts

The USPTO Trademark Verified USPTO.gov Account Agreement sets forth additional responsibilities for attorneys who sponsor accounts for other persons.

First, the USPTO Trademark Verified USPTO.gov Account Agreement expressly limits who an attorney may sponsor:

As an attorney, I may only sponsor attorney support staff under my supervision, employed or retained by my individual law practice, law firm, or as employees of the same company as myself.

I will not attempt to sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner.

As a sponsoring attorney, I understand that I am responsible for verifying the identity of any person who I sponsor, and understand that this information is subject to the terms of Section I above.

Second, a sponsoring attorney agrees to accept responsibility for the conduct of non-practitioners whom they sponsor. The attorney acknowledges the following duties and responsibilities in connection with his or her sponsoring of another person:

As a sponsoring attorney, I understand that I am personally, professionally, and ethically responsible for the conduct of each attorney support staff when using a sponsored USPTO.gov account.

I will take reasonable steps to ensure that each sponsored attorney support staff is familiar with the terms of this Agreement and with the relevant laws, regulations, and policies of the USPTO with respect to the duties to which their access pertains.

I will take reasonable steps to ensure that each sponsored attorney support staff's access and use of USPTO systems is consistent with the tasks assigned that individual. Such reasonable steps include prompt removal of sponsorship when appropriate, including where the individual is no longer under my employ and/or supervision.

I will immediately remove sponsorship of the USPTO.gov account for any attorney support staff whom I have reason to believe has abused or misused any USPTO system, including but not limited to knowingly submitting false statements or signatures, and I will immediately report the misuse or abuse to the USPTO.

I understand that each USPTO.gov account is intended for use by the individual to whom it is registered, and that each of the attorney support staff I sponsor must have a separate USPTO.gov account in their own name and are not permitted to share accounts among other support staff individuals.

C. USPTO Trademark Signature Rules

The USPTO trademark signature rules require that (a) all signatures on trademark documents be signed by a proper person, (b) trademark documents be personally signed by the signatory named on the document, and (c) a person electronically signing a document must personally enter any combination of letters, numbers, spaces, and/or punctuation marks that he or she has adopted as a signature and that combination must be placed between two forward slash (“/”) symbols in the signature block on the electronic submission. *See* 37 C.F.R. §§ 2.193(a), (c), and (e); and 37 C.F.R. § 11.18(a).

The Trademark Manual of Examining Procedure (“TMEP”) provides additional clear and straightforward guidance to practitioners regarding the USPTO trademark electronic signature rules’ requirement that the named signatory sign the document:

All documents must be properly signed. 37 C.F.R. §§ 2.193(a)(1), 11.18(a).

The person(s) identified as the signatory must personally sign the printed form or personally enter his or her electronic signature, either directly on the TEAS form or in the emailed form. 37 C.F.R. § 2.193(a), (d).

Another person (*e.g.*, paralegal, legal assistant, or secretary) may not sign or enter the name of a qualified U.S. attorney or other authorized signatory.

Just as signing the name of another person on paper does not serve as the signature of the person whose name is written, typing the electronic signature of another person is not a valid signature by that person.

TMEP § 611.01(c) (July 2022) (case citations omitted) (line spacing added).²

If the signature fails to comply with 37 C.F.R. § 2.193(a) or (e) because it was entered by someone other than the named signatory or not signed by a proper person, the trademark may be subject to cancellation. *See* 84 Fed. Reg. at 31498 (stating that “[i]f signed by a person determined to be an unauthorized signatory, a resulting registration may be invalid.”). *See also In re Dermahose Inc.*, 82 U.S.P.Q.2d 1793 (T.T.A.B. 2007); *In re Cowan*, 18 U.S.P.Q.2d 1407 (Com’r Pat. & Trademarks 1990). The integrity of the federal trademark registration process is adversely affected when trademark filings are impermissibly signed and filed with the USPTO.

Trademark applications contain declarations that are signed under penalty of perjury, with false

² Previously published in July 2021 (with similar language) and in October 2018 (with similar language prior to the U.S. Counsel Rule).

statements being subject to punishment under 18 U.S.C. § 1001. Signatories to declarations in trademark applications make specific representations regarding applicants' use of the mark in commerce and/or their intent to use the mark in commerce. The USPTO relies on such declarations signed under penalty of perjury in trademark applications in the course of examining trademark applications and issuing registrations.

D. Three Signature Methods

The agency allows for three signature methods for documents filed through TEAS: "DIRECT," "H-SIGN," "E-SIGN ON."

"DIRECT" is the default signature procedure. Under this method, the named signatory on the trademark document signs directly at the end of the document. When signing to verify the contents of an application, the signatory will enter any alpha/numeric character(s) or combination of his or her choosing in the signature block on the application form, preceded and followed by the forward slash (/) symbol. Importantly, where a document is signed using the DIRECT signature method, if the document is saved for later filing, any electronic signature would not be saved on the TEAS form and would need to be reentered—personally by the proper signatory.

With the "H-SIGN" procedure, an electronic file (*e.g.*, a PDF file) of an original handwritten pen and ink ("wet") signature is submitted. Through this method, the text form of the document is typically printed out and then transmitted to the signatory, who signs the document in the traditional pen-and-ink manner. Once the signed form has been transmitted back to the preparer, the signed document is attached to the TEAS application (or another document) as a JPG image file, and a complete application can then be validated and filed electronically.

The third electronic signature procedure is "E-SIGN ON." Under the E-SIGN ON method, the USPTO sends a hyperlink via email to a designated email address (*e.g.*, the email address for the named signatory of the trademark document), and the recipient opens the hyperlink, which opens the trademark form and electronically signs his or her own name. The signed form is then returned to the original preparer of the document, who can then complete the submission process to the USPTO.

E. Signature and Certification Requirements of 37 C.F.R. § 11.18

Section 11.18 of Part 37 of the Code of Federal Regulations sets forth the signature and certification requirements for any correspondence filed with the USPTO. Regarding certifications, § 11.18 states that by presenting a document to the USPTO—whether by signing, filing, submitting, or later advocating—the party presenting such document makes important certifications on which the USPTO relies.³

First, the party presenting a document filed with the USPTO represents that all statements made on the party's own knowledge are true, and that all statements made on the party's information and belief are believed to be true. 37 C.F.R. § 11.18(b)(1). Trademark applications based on use

³ These certifications apply to trademark documents filed with the USPTO. *See* 37 C.F.R. § 2.193(f).

in commerce under 15 U.S.C. § 1051(a) contain the following factual assertions to which the § 11.18 certifications apply:

- The signatory believes that the applicant is the owner of the trademark/service mark sought to be registered;
- The mark is in use in commerce and was in use in commerce as of the filing date of the application on or in connection with the goods/services in the application;
- The specimen(s) shows the mark as used on or in connection with the goods/services in the application and was used on or in connection with the goods/services in the application as of the application filing date; and
- To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.

Knowingly and willfully false or fraudulent statements are subject to criminal penalty under 18 U.S.C. § 1001 and any other applicable criminal statute. *See id.*

Second, § 11.18 provides that the signatory of a document filed with the USPTO certifies that:

[t]o the best of the party's knowledge, information and belief, *formed after an inquiry reasonable under the circumstances*, (i) the paper is not being presented for any improper purpose, such as to harass someone or to cause unnecessary delay or needless increase in the cost of any proceeding before the Office; (ii) the other legal contentions therein are warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law; (iii) the allegations and other factual contentions have evidentiary support or, if specifically so identified, are likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; and (iv) the denials of factual contentions are warranted on the evidence, or if specifically so identified, are reasonably based on a lack of information or belief.

37 C.F.R. § 11.18(b)(2) (emphasis added).

Importantly, § 11.18(b)(1) expressly explains that certification violations “may jeopardize the probative value” of the filing.

Joint Stipulated Facts

Practice Background

5. Mr. Okeke graduated from law school in 2021, and he gained licensure to practice law in Texas (Bar Card # 24120500) in October of the same year. He also gained licensure to practice law in New York (Registration # 5937826) in January 2023.

6. From 2021 through 2023, Mr. Okeke's legal practice consisted of USPTO

trademark matters, document review, and business matters. In 2022, his practice before the USPTO in trademark matters, including in trademark filings and TTAB matters, consisted of approximately 70% of his work and 70% of his income. In 2023, his practice before the USPTO in trademark matters, including in trademark filings and TTAB matters, consisted of approximately 70% of his work and approximately 70% of his income. In each of those years, the other 30% of his work and income was for document review and business matters.

7. Mr. Okeke acknowledges that during his practice before the USPTO in trademark matters, he lacked a full understanding of the USPTO trademark signature rules and the U.S. Counsel Rule.

8. Mr. Okeke also acknowledges that he lacked understanding of the requirements for creating and monitoring sponsored USPTO.gov accounts in accordance with the USPTO-sponsored account agreement.

9. During the relevant period, Mr. Okeke's clientele was primarily foreign-domiciled, with over 95% of his clients domiciled in either China or India.

Beakpo Corporation (January 2022 to July 2022)

10. Respondent was the attorney of record for many foreign-domiciled trademark clients that Respondent received through his employment with Beakpo Corporation ("Beakpo") of Pearland, Texas.

11. Beakpo was owned by Shenzhen Pengzhiyun Enterprise Management Consulting Co., Ltd, ("SPEMC") (loosely translated to 深圳市鹏之云企业管理咨询有限公司 in Simplified Chinese). According to its publicly available business license, SPEMC is located in Shenzhen, China.

12. Mr. Okeke recalled learning of a job offering with Beakpo via an online advertisement. Beakpo offered full-time employment for attorneys at a salary of approximately \$4,000 per month, and Mr. Okeke was hired as an employee by Beakpo in January 2022 under this agreement.

13. Mr. Okeke's employment with Beakpo was terminated via a 30-day notice on June 30, 2022, and was effective on July 31, 2022. According to Mr. Okeke, he was laid off by Beakpo. The company voluntarily dissolved not long after Mr. Okeke was laid off.

Lyptus Partners Business Services Pvt. Ltd. (August 2022 to August 2023)

14. At all relevant times, Lyptus Partners Business Services Pvt. Ltd. (loosely translated to लिप्टस पार्टनर्स बिजनेस सर्विसेज प्रा. लिमिटेड in Hindi) ("Lyptus") was a business located in Delhi, India.

15. In August 2022, Lyptus posted a "US Trademark Attorney Requirement" social media listing seeking an attorney to take over 300 cases for Lyptus. Lyptus hired Mr. Okeke in

August 2022. The agreement was for Mr. Okeke to do two hundred-fifty (250) applications as a baseline each month for \$2,000 (i.e., \$8 per application).

16. Mr. Okeke sponsored accounts in connection with his trademark practice on behalf of Lyptus. These accounts included one for Paikar Louis and one for David Louise.

Mr. Okeke's Trademark Practice

17. Mr. Okeke acknowledged that, at times, his review of trademark documents for Beakpo and Lyptus were not robust enough to meet the required standards for trademark practice before the USPTO.

18. Mr. Okeke did not reach out to contact his client applicants directly and he acknowledged a lack of understanding of how Beakpo and Lyptus interfaced with his clients. He did not make a reasonable inquiry into representations by Beakpo or Lyptus about each company's respective process for obtaining "wet" signatures from his trademark clients that were entered on trademark documents that were later filed with the USPTO via TEAS.

19. Nor did Mr. Okeke make a reasonable inquiry to confirm how Lyptus was obtaining his client trademark clients' signatures that were entered on trademark documents using the DIRECT signature method and later filed with the USPTO via TEAS. Mr. Okeke was unsure if Lyptus was entering the signatures of his trademark clients.

20. OED uncovered at least 82 trademark applications associated with Lyptus where Mr. Okeke is identified as the attorney of record for trademark applicants where the applicants' signatures were entered on the application using the DIRECT signature method but that the client applicants did not sign themselves.

21. Mr. Okeke also acknowledges that he did not adequately supervise non-practitioner assistants Paikar Louis and David Louis. OED uncovered at least 19 trademark documents where Mr. Okeke is identified as the attorney of record for the applicant and Mr. Okeke's signature is entered on the document using the DIRECT signature method. The documents were filed via the account Mr. Okeke sponsored for Paikar Louis.

Additional Considerations

Notice of Suspension and Probation

This notice concerns Mr. Afamefuna Okeke. Mr. Okeke is an attorney licensed in the States of Texas (Bar Card # 24120500) and New York (Registration # 5937826) who engaged in practice before the United States Patent and Trademark Office ("USPTO" or "Office") in trademark matters. The USPTO Director has suspended Mr. Okeke from practice before the Office for a period of thirty (30) days and placed him on probation for violating 37 C.F.R. §§ 11.101 (Competence); 11.103 (Diligence); 11.503(b) and (c) (Responsibilities regarding non-practitioner assistance); 11.505 (Unauthorized practice of law);

11.804(c) and (d) (Misconduct – engage in conduct involving dishonesty, fraud, deceit or misrepresentation); and 11.804(d) (Misconduct – engage in conduct prejudicial to the administration of justice) of the USPTO Rules of Professional Conduct.

Mr. Okeke was associated with two companies: Beakpo Corporation (“Beakpo”), owned by Shenzhen Pengzhiyun Enterprise Management Consulting Co., Ltd (loosely translated to 深圳市鹏之云企业管理咨询有限公司 in Simplified Chinese) of Shenzhen, China, and Lyptus Partners Business Services Pvt. Ltd. (loosely translated to लिप्टस पार्टनर्स बिजनेस सर्विसेज प्रा. लिमिटेड in Hindi) (“Lyptus”) of Delhi, India. These companies had customers domiciled outside the United States who were seeking trademark registration before the USPTO. Mr. Okeke was hired by these companies to be the attorney of record for those customers (*i.e.*, foreign domiciled trademark applicants seeking registration of their trademarks before the USPTO).

Mr. Okeke (1) did not possess an adequate understanding of the USPTO trademark signature rules to be able to competently and diligently represent clients in trademark matters before the USPTO; (2) did not possess an adequate understanding of the U.S. Counsel Rule to be able to competently and diligently represent foreign clients in trademark matters before the USPTO; (3) was not familiar with and did not understand the requirements for USPTO.gov accounts or sponsored accounts (*e.g.*, sponsoring USPTO.gov accounts for non-practitioner assistants) resulting in violation of the user agreement; (4) did not adequately supervise non-practitioner assistants for whom he had sponsored USPTO.gov accounts; (5) did not make a reasonable inquiry into how his trademark clients’ signatures were entered on documents later filed with the USPTO; (6) presented trademark documents to the USPTO that were not signed in compliance with USPTO trademark signature rules; (7) did not review trademark documents adequately (*e.g.*, engaging in reviews that were not robust enough) prior to the documents being presented to the USPTO in violation of 37 C.F.R. § 11.18; (8) allowed or otherwise facilitated non-practitioner assistants to enter his trademark client signatures on documents filed with the USPTO; and (9) did not adequately supervise non-practitioner assistants for whom he had sponsored USPTO.gov accounts and did not make a reasonable inquiry into how his trademark clients’ signatures were entered on documents later filed with the USPTO such that non-practitioner assistant entered his trademark client signatures on documents filed with the USPTO.

Mr. Okeke has not been previously disciplined by the USPTO, and he represents that he has never been the subject of professional discipline by any court or state bar. He cooperated fully with OED, including participating in an interview.

Practitioners who are engaged in practice before the USPTO in trademark matters are reasonably expected to know the USPTO rules of trademark

practice, including the USPTO trademark signatures rules. If the signature fails to comply with 37 C.F.R. § 2.193(a) or (e) because it was entered by someone other than the named signatory or not signed by a proper person, the trademark may be subject to cancellation. *See* 84 Fed. Reg. at 31498 (stating that “[i]f signed by a person determined to be an unauthorized signatory, a resulting registration may be invalid.”). *See also In re Dermahose Inc.*, 82 U.S.P.Q.2d 1793 (T.T.A.B. 2007); *In re Cowan*, 18 U.S.P.Q.2d 1407 (Com’r Pat. & Trademarks 1990). The integrity of the federal trademark registration process is adversely affected when trademark filings are impermissibly signed and filed with the USPTO.

Practitioners who are engaged in practice before the USPTO in trademark matters are reasonably expected to know the USPTO rules regarding the use of their own USPTO.gov accounts and the rules regarding sponsorship of USPTO.gov accounts. It is critical to the integrity of the USPTO trademark registration process that practitioners pay close attention to the trademark documents that are being filed by non-practitioner assistants who assist the practitioner in his or her trademark practice. A practitioner is reasonably able to (a) determine whether trademark documents naming the practitioner as the attorney of record in a matter have been filed with the USPTO by searching the attorney’s first name and last name on the USPTO’s online trademark search system (currently located at <https://tmsearch.uspto.gov/search/search-information>) and (b) promptly inform in writing the USPTO (of each trademark document filing that was made without his knowledge or consent.

This action is the result of a settlement agreement between Mr. Okeke and the OED Director pursuant to the provisions of 35 U.S.C. §§ 2(b)(2)(D) and 32, and 37 C.F.R. §§ 11.19, 11.20, and 11.26. Disciplinary decisions involving practitioners—including the many who have been disciplined for not complying with the USPTO trademark signature rules and their ethical obligations under the USPTO Rules of Professional Conduct connected with serving as counsel for foreign-domiciled trademark applicants—are posted for public reading at the Office of Enrollment and Discipline Reading Room accessible at: <https://foiadocuments.uspto.gov/oed>.

- y. Based on Respondent’s agreement to do so, Respondent waives all rights to seek reconsideration of the Final Order under 37 C.F.R. § 11.56, waives the right to have the Final Order reviewed under 37 C.F.R. § 11.57, and waives the right otherwise to appeal or challenge the Final Order in any manner;
- z. Within a reasonable time following the entry of the Final Order approving the Agreement, if a disciplinary complaint has been filed in this matter, the OED Director shall file a motion with the Administrative Law Judge requesting dismissal of the complaint;

aa. The OED Director and Respondent shall each bear their own costs incurred to date and in carrying out the terms of the Agreement and this Final Order.

- (e) “CDC” is the Chief Disciplinary Counsel for the State Bar of Texas and his or her assistants.
- (f) “Commission” is the Commission for Lawyer Discipline, a permanent committee of the State Bar of Texas.
- (g) “Executive Director” is the executive director of BODA.

- (m) “TRDP” is the Texas Rules of Disciplinary Procedure.
- (n) “TRE” is the Texas Rules of Evidence.

Rule 1.02. General Powers

Under TRDP 7.08, BODA has and may exercise all the powers of either a trial court or an appellate court, as the case may be, in hearing and determining disciplinary proceedings. But TRDP 15.01 [17.01] applies to the enforcement of a judgment of BODA.

Rule 1.03. Additional Rules in Disciplinary Matters

Except as varied by these rules and to the extent applicable, the TRCP, TRAP, and TRE apply to all disciplinary matters before BODA, except for appeals from classification decisions, which are governed by TRDP 2.10 and by Section 3 of these rules.

Rule 1.04. Appointment of Panels

- (a) BODA may consider any matter or motion by panel,

except as specified in (b). The Chair may delegate to the Executive Director the duty to appoint a panel for any BODA action. Decisions are made by a majority vote of the panel; however, any panel member may refer a matter for consideration by BODA sitting en banc. Nothing in these rules gives a party the right to be heard by BODA sitting en banc.

- (b) Any disciplinary matter naming a BODA member as Respondent must be considered by BODA sitting en banc. A disciplinary matter naming a BODA staff member as Respondent need not be heard en banc.

- (c) BODA may, upon decision of the Chair, conduct any business or proceedings—including any hearing, pretrial conference, or consideration of any matter or motion—remotely.

Rule 1.05. Filing of Pleadings, Motions, and Other Papers

- (a) **Electronic Filing.** All documents must be filed electronically. Unrepresented persons or those without the means to file electronically may electronically file documents, but it is not required.

- (1) Email Address. The email address of an attorney or an unrepresented party who electronically files a document must be included on the document.

- (2) Timely Filing. Documents are filed electronically by emailing the document to the BODA Clerk at the email address designated by BODA for that purpose. A document filed by email will be considered filed the day that the email is sent. The date sent is the date shown for the message in the inbox of the email account designated for receiving filings. If a document is sent after 5:00 p.m. or on a weekend or holiday officially observed by the State of Texas, it is considered filed the next business day.

- (3) It is the responsibility of the party filing a document by email to obtain the correct email address for BODA and to confirm that the document was received by BODA in legible form. Any document that is illegible or that cannot be opened as part of an email attachment will not be considered filed. If a document is untimely due to a technical failure or a system outage, the filing party may seek appropriate relief from BODA.

- (4) Exceptions.

- (i) An appeal to BODA of a decision by the CDC to classify a grievance as an inquiry or a complaint is not required to be filed electronically.

- (ii) The following documents must not be filed electronically:

- a) documents that are filed under seal or subject to a pending motion to seal; and

- b) documents to which access is otherwise restricted by court order.

(iii) For good cause, BODA may permit a party to file other documents in paper form in a particular case.

(5) **Format.** An electronically filed document must:

(i) be in text-searchable portable document format (PDF);

(ii) be directly converted to PDF rather than scanned, if possible; and

(iii) not be locked.

(b) A paper will not be deemed filed if it is sent to an individual BODA member or to another address other than the address designated by BODA under Rule 1.05(a)(2).

(c) **Signing.** Each brief, motion, or other paper filed must be signed by at least one attorney for the party or by the party pro se and must give the State Bar of Texas card number, mailing address, telephone number, email address, and fax number, if any, of each attorney whose name is signed or of the party (if applicable). A document is considered signed if the document includes:

(1) an “/s/” and name typed in the space where the signature would otherwise appear, unless the document is notarized or sworn; or

(2) an electronic image or scanned image of the signature.

(d) **Paper Copies.** Unless required by BODA, a party need not file a paper copy of an electronically filed document.

(e) **Service.** Copies of all documents filed by any party other than the record filed by the evidentiary panel clerk or the court reporter must, at or before the time of filing, be served on all other parties as required and authorized by the TRAP.

Rule 1.06. Service of Petition

In any disciplinary proceeding before BODA initiated by service of a petition on the Respondent, the petition must be served by personal service; by certified mail with return receipt requested; or, if permitted by BODA, in any other manner that is authorized by the TRCP and reasonably calculated under all the circumstances to apprise the Respondent of the proceeding and to give him or her reasonable time to appear and answer. To establish service by certified mail, the return receipt must contain the Respondent’s signature.

Rule 1.07. Hearing Setting and Notice

(a) **Original Petitions.** In any kind of case initiated by the CDC’s filing a petition or motion with BODA, the CDC may contact the BODA Clerk for the next regularly available hearing date before filing the original petition. If a hearing is set before the petition is filed, the petition must state the date, time, and place of the hearing. Except in the case of a petition to revoke probation under TRDP 2.23 [2.22], the hearing date must be at least 30 days from the date that the petition is served on the Respondent.

(b) **Expedited Settings.** If a party desires a hearing on a matter on a date earlier than the next regularly available BODA hearing date, the party may request an expedited setting in a written motion setting out the reasons for the request. Unless the parties agree otherwise, and except in the case of a petition to revoke probation under TRDP 2.23 [2.22], the expedited hearing setting must be at least 30 days from the date of service of the petition, motion, or other pleading. BODA has the sole discretion to grant or deny a request for an expedited hearing date.

(c) **Setting Notices.** BODA must notify the parties of any hearing date that is not noticed in an original petition or motion.

(d) **Announcement Docket.** Attorneys and parties appearing before BODA must confirm their presence and present any questions regarding procedure to the BODA Clerk in the courtroom immediately prior to the time docket call is scheduled to begin. Each party with a matter on the docket must appear at the docket call to give an announcement of readiness, to give a time estimate for the hearing, and to present any preliminary motions or matters. Immediately following the docket call, the Chair will set and announce the order of cases to be heard.

Rule 1.08. Time to Answer

The Respondent may file an answer at any time, except where expressly provided otherwise by these rules or the TRDP, or when an answer date has been set by prior order of BODA. BODA may, but is not required to, consider an answer filed the day of the hearing.

Rule 1.09. Pretrial Procedure

(a) **Motions.**

(1) Generally. To request an order or other relief, a party must file a motion supported by sufficient cause with proof of service on all other parties. The motion must state with particularity the grounds on which it is based and set forth the relief sought. All supporting briefs, affidavits, or other documents must be served and filed with the motion. A party may file a response to a motion at any time before BODA rules on the motion or by any deadline set by BODA. Unless otherwise required by these rules or the TRDP, the form of a motion must comply with the TRCP or the TRAP.

(2) For Extension of Time. All motions for extension of time in any matter before BODA must be in writing, comply with (a)(1), and specify the following:

(i) if applicable, the date of notice of decision of the evidentiary panel, together with the number and style of the case;

(ii) if an appeal has been perfected, the date when the appeal was perfected;

(iii) the original deadline for filing the item in question;

(iv) the length of time requested for the extension;

(v) the number of extensions of time that have been granted previously regarding the item in question; and

(vi) the facts relied on to reasonably explain the need for an extension.

(b) **Pretrial Scheduling Conference.** Any party may request a pretrial scheduling conference, or BODA on its own motion may require a pretrial scheduling conference.

(c) **Trial Briefs.** In any disciplinary proceeding before BODA, except with leave, all trial briefs and memoranda must be filed with the BODA Clerk no later than ten days before the day of the hearing.

(d) **Hearing Exhibits, Witness Lists, and Exhibits Tendered for Argument.** A party may file a witness list, exhibit, or any other document to be used at a hearing or oral argument before the hearing or argument. A party must bring to the hearing an original and 12 copies of any document that was not filed at least one business day before the hearing. The original and copies must be:

(1) marked;

(2) indexed with the title or description of the item offered as an exhibit; and

(3) if voluminous, bound to lie flat when open and tabbed in accordance with the index.

All documents must be marked and provided to the opposing party before the hearing or argument begins.

Rule 1.10. Decisions

(a) **Notice of Decisions.** The BODA Clerk must give notice of all decisions and opinions to the parties or their attorneys of record.

(b) **Publication of Decisions.** BODA must report judgments or orders of public discipline:

(1) as required by the TRDP; and

(2) on its website for a period of at least ten years following the date of the disciplinary judgment or order.

(c) **Abstracts of Classification Appeals.** BODA may, in its discretion, prepare an abstract of a classification appeal for a public reporting service.

Rule 1.11. Board of Disciplinary Appeals Opinions

(a) BODA may render judgment in any disciplinary matter with or without written opinion. In accordance with TRDP 6.06, all written opinions of BODA are open to the public and must be made available to the public reporting services, print or electronic, for publishing. A majority of the members who participate in considering the disciplinary matter must determine if an opinion will be written. The names of the participating members must be noted on all written opinions of BODA.

(b) Only a BODA member who participated in the

decision of a disciplinary matter may file or join in a written opinion concurring in or dissenting from the judgment of BODA. For purposes of this rule, in hearings in which evidence is taken, no member may participate in the decision unless that member was present at the hearing. In all other proceedings, no member may participate unless that member has reviewed the record. Any member of BODA may file a written opinion in connection with the denial of a hearing or rehearing en banc.

(c) A BODA determination in an appeal from a grievance classification decision under TRDP 2.10 is not a judgment for purposes of this rule and may be issued without a written opinion.

Rule 1.12. BODA Work Product and Drafts

A document or record of any nature—regardless of its form, characteristics, or means of transmission—that is created or produced in connection with or related to BODA's adjudicative decision-making process is not subject to disclosure or discovery. This includes documents prepared by any BODA member, BODA staff, or any other person acting on behalf of or at the direction of BODA.

Rule 1.13. Record Retention

Records of appeals from classification decisions must be retained by the BODA Clerk for a period of at least three years from the date of disposition. Records of other disciplinary matters must be retained for a period of at least five years from the date of final judgment, or for at least one year after the date a suspension or disbarment ends, whichever is later. For purposes of this rule, a record is any document, paper, letter, map, book, tape, photograph, film, recording, or other material filed with BODA, regardless of its form, characteristics, or means of transmission.

Rule 1.14. Costs of Reproduction of Records

The BODA Clerk may charge a reasonable amount for the reproduction of nonconfidential records filed with BODA. The fee must be paid in advance to the BODA Clerk.

Rule 1.15. Publication of These Rules

These rules will be published as part of the TDRPC and TRDP.

II. ETHICAL CONSIDERATIONS

Rule 2.01. Representing or Counseling Parties in Disciplinary Matters and Legal Malpractice Cases

(a) A current member of BODA must not represent a party or testify voluntarily in a disciplinary action or proceeding. Any BODA member who is subpoenaed or otherwise compelled to appear at a disciplinary action or proceeding, including at a deposition, must promptly notify the BODA Chair.

(b) A current BODA member must not serve as an expert witness on the TDRPC.

(c) A BODA member may represent a party in a legal

malpractice case, provided that he or she is later recused in accordance with these rules from any proceeding before BODA arising out of the same facts.

Rule 2.02. Confidentiality

(a) BODA deliberations are confidential, must not be disclosed by BODA members or staff, and are not subject to disclosure or discovery.

(b) Classification appeals, appeals from evidentiary judgments of private reprimand, appeals from an evidentiary judgment dismissing a case, interlocutory appeals or any interim proceedings from an ongoing evidentiary case, and disability cases are confidential under the TRDP. BODA must maintain all records associated with these cases as confidential, subject to disclosure only as provided in the TRDP and these rules.

(c) If a member of BODA is subpoenaed or otherwise compelled by law to testify in any proceeding, the member must not disclose a matter that was discussed in conference in connection with a disciplinary case unless the member is required to do so by a court of competent jurisdiction

Rule 2.03. Disqualification and Recusal of BODA Members

(a) BODA members are subject to disqualification and recusal as provided in TRCP 18b.

(b) BODA members may, in addition to recusals under (a), voluntarily recuse themselves from any discussion and voting for any reason. The reasons that a BODA member is recused from a case are not subject to discovery.

(c) These rules do not disqualify a lawyer who is a member of, or associated with, the law firm of a BODA member from serving on a grievance committee or representing a party in a disciplinary proceeding or legal malpractice case. But a BODA member must recuse him or herself from any matter in which a lawyer who is a member of, or associated with, the BODA member's firm is a party or represents a party.

III. CLASSIFICATION APPEALS

Rule 3.01. Notice of Right to Appeal

(a) If a grievance filed by the Complainant under TRDP 2.10 is classified as an inquiry, the CDC must notify the Complainant of his or her right to appeal as set out in TRDP 2.10 or another applicable rule. If a grievance is classified as a complaint, the CDC must notify both the Complainant and the Respondent of the Respondent's right to appeal as set out in TRDP 2.10 or another applicable rule.

(b) To facilitate the potential filing of an appeal of a grievance classified as an inquiry, the CDC must send the Complainant an appeal notice form, approved by BODA, with the classification disposition. For a grievance classified as a complaint, the CDC must send the Respondent an appeal notice form, approved by BODA, with notice of the classification disposition. The form must

include the docket number of the matter; the deadline for appealing; and information for mailing, faxing, or emailing the appeal notice form to BODA. The appeal notice form must be available in English and Spanish.

Rule 3.02. Record on Appeal

BODA must not consider documents or other submissions that the Complainant or Respondent filed with the CDC or BODA after the CDC's classification. When a notice of appeal from a classification decision has been filed, the CDC must forward to BODA a copy of the grievance and all supporting documentation. If the appeal challenges the classification of an amended grievance, the CDC must also send BODA a copy of the initial grievance, unless it has been destroyed.

Rule 3.03. Disposition of Classification Appeal

(a) BODA may decide a classification appeal by doing any of the following:

(1) affirm the CDC's classification of the grievance as an inquiry and the dismissal of the grievance;

(2) reverse the CDC's classification of the grievance as an inquiry, reclassify the grievance as a complaint, and return the matter to the CDC for investigation, just cause determination, and further proceedings in accordance with the TRDP;

(3) affirm the CDC's classification of the grievance as a complaint and return the matter to the CDC to proceed with investigation, just cause determination, and further proceedings in accordance with the TRDP; or

(4) reverse the CDC's classification of the grievance as a complaint, reclassify the grievance as an inquiry, and dismiss the grievance.

(b) When BODA reverses the CDC's inquiry classification and reclassifies a grievance as a complaint, BODA must reference any provisions of the TDRPC under which BODA concludes professional misconduct is alleged. When BODA affirms the CDC's complaint classification, BODA may reference any provisions of the TDRPC under which BODA concludes professional misconduct is alleged. The scope of investigation will be determined by the CDC in accordance with TRDP 2.12.

(c) BODA's decision in a classification appeal is final and conclusive, and such decision is not subject to appeal or reconsideration.

(d) A classification appeal decision under (a)(1) or (4), which results in dismissal, has no bearing on whether the Complainant may amend the grievance and resubmit it to the CDC under TRDP 2.10.

IV. APPEALS FROM EVIDENTIARY PANEL HEARINGS

Rule 4.01. Perfecting Appeal

(a) **Appellate Timetable.** The date that the evidentiary

judgment is signed starts the appellate timetable under this section. To make TRDP 2.21 [2.20] consistent with this requirement, the date that the judgment is signed is the “date of notice” under Rule [TRDP] 2.21 [2.20].

(b) Notification of the Evidentiary Judgment. The clerk of the evidentiary panel must notify the parties of the judgment as set out in TRDP 2.21 [2.20].

(1) The evidentiary panel clerk must notify the Commission and the Respondent in writing of the judgment. The notice must contain a clear statement that any appeal of the judgment must be filed with BODA within 30 days of the date that the judgment was signed. The notice must include a copy of the judgment rendered.

(2) The evidentiary panel clerk must notify the Complainant that a judgment has been rendered and provide a copy of the judgment, unless the evidentiary panel dismissed the case or imposed a private reprimand. In the case of a dismissal or private reprimand, the evidentiary panel clerk must notify the Complainant of the decision and that the contents of the judgment are confidential. Under TRDP 2.16, no additional information regarding the contents of a judgment of dismissal or private reprimand may be disclosed to the Complainant.

(c) Filing Notice of Appeal. An appeal is perfected when a written notice of appeal is filed with BODA. If a notice of appeal and any other accompanying documents are mistakenly filed with the evidentiary panel clerk, the notice is deemed to have been filed the same day with BODA, and the evidentiary panel clerk must immediately send the BODA Clerk a copy of the notice and any accompanying documents.

(d) Time to File. In accordance with TRDP 2.24 [2.23], the notice of appeal must be filed within 30 days after the date the judgment is signed. In the event a motion for new trial or motion to modify the judgment is timely filed with the evidentiary panel, the notice of appeal must be filed with BODA within 90 days from the date the judgment is signed.

(e) Extension of Time. A motion for an extension of time to file the notice of appeal must be filed no later than 15 days after the last day allowed for filing the notice of appeal. The motion must comply with Rule 1.09.

Rule 4.02. Record on Appeal

(a) Contents. The record on appeal consists of the evidentiary panel clerk’s record and, where necessary to the appeal, a reporter’s record of the evidentiary panel hearing.

(b) Stipulation as to Record. The parties may designate parts of the clerk’s record and the reporter’s record to be included in the record on appeal by written stipulation filed with the clerk of the evidentiary panel.

(c) Responsibility for Filing Record.

(1) Clerk’s Record.

(i) After receiving notice that an appeal has been filed, the clerk of the evidentiary panel is responsible for preparing, certifying, and timely filing the clerk’s record.

(ii) Unless the parties stipulate otherwise, the clerk’s record on appeal must contain the items listed in TRAP 34.5(a) and any other paper on file with the evidentiary panel, including the election letter, all pleadings on which the hearing was held, the docket sheet, the evidentiary panel’s charge, any findings of fact and conclusions of law, all other pleadings, the judgment or other orders appealed from, the notice of decision sent to each party, any postsubmission pleadings and briefs, and the notice of appeal.

(iii) If the clerk of the evidentiary panel is unable for any reason to prepare and transmit the clerk’s record by the due date, he or she must promptly notify BODA and the parties, explain why the clerk’s record cannot be timely filed, and give the date by which he or she expects the clerk’s record to be filed.

(2) Reporter’s Record.

(i) The court reporter for the evidentiary panel is responsible for timely filing the reporter’s record if:

- a) a notice of appeal has been filed;
- b) a party has requested that all or part of the reporter’s record be prepared; and
- c) the party requesting all or part of the reporter’s record has paid the reporter’s fee or has made satisfactory arrangements with the reporter.

(ii) If the court reporter is unable for any reason to prepare and transmit the reporter’s record by the due date, he or she must promptly notify BODA and the parties, explain the reasons why the reporter’s record cannot be timely filed, and give the date by which he or she expects the reporter’s record to be filed.

(d) Preparation of Clerk’s Record.

(1) To prepare the clerk’s record, the evidentiary panel clerk must:

- (i) gather the documents designated by the parties’ written stipulation or, if no stipulation was filed, the documents required under (c)(1)(ii);
- (ii) start each document on a new page;
- (iii) include the date of filing on each document;
- (iv) arrange the documents in chronological order, either by the date of filing or the date of occurrence;
- (v) number the pages of the clerk’s record in the manner required by (d)(2);

(vi) prepare and include, after the front cover of the clerk's record, a detailed table of contents that complies with (d)(3); and

(vii) certify the clerk's record.

(2) The clerk must start the page numbering on the front cover of the first volume of the clerk's record and continue to number all pages consecutively—including the front and back covers, tables of contents, certification page, and separator pages, if any—until the final page of the clerk's record, without regard for the number of volumes in the clerk's record, and place each page number at the bottom of each page.

(3) The table of contents must:

(i) identify each document in the entire record (including sealed documents); the date each document was filed; and, except for sealed documents, the page on which each document begins;

(ii) be double-spaced;

(iii) conform to the order in which documents appear in the clerk's record, rather than in alphabetical order;

(iv) contain bookmarks linking each description in the table of contents (except for descriptions of sealed documents) to the page on which the document begins; and

(v) if the record consists of multiple volumes, indicate the page on which each volume begins.

(e) **Electronic Filing of the Clerk's Record.** The evidentiary panel clerk must file the record electronically. When filing a clerk's record in electronic form, the evidentiary panel clerk must:

(1) file each computer file in text-searchable Portable Document Format (PDF);

(2) create electronic bookmarks to mark the first page of each document in the clerk's record;

(3) limit the size of each computer file to 100 MB or less, if possible; and

(4) directly convert, rather than scan, the record to PDF, if possible.

(f) **Preparation of the Reporter's Record.**

(1) The appellant, at or before the time prescribed for perfecting the appeal, must make a written request for the reporter's record to the court reporter for the evidentiary panel. The request must designate the portion of the evidence and other proceedings to be included. A copy of the request must be filed with the evidentiary panel and BODA and must be served on the appellee. The reporter's record must be certified by the court reporter for the evidentiary panel.

(2) The court reporter or recorder must prepare and file the reporter's record in accordance with TRAP 34.6 and

35 and the Uniform Format Manual for Texas Reporters' Records.

(3) The court reporter or recorder must file the reporter's record in an electronic format by emailing the document to the email address designated by BODA for that purpose.

(4) The court reporter or recorder must include either a scanned image of any required signature or "/s/" and name typed in the space where the signature would otherwise

(6¹) In exhibit volumes, the court reporter or recorder must create bookmarks to mark the first page of each exhibit document.

(g) **Other Requests.** At any time before the clerk's record is prepared, or within ten days after service of a copy of appellant's request for the reporter's record, any party may file a written designation requesting that additional exhibits and portions of testimony be included in the record. The request must be filed with the evidentiary panel and BODA and must be served on the other party.

(h) **Inaccuracies or Defects.** If the clerk's record is found to be defective or inaccurate, the BODA Clerk must inform the clerk of the evidentiary panel of the defect or inaccuracy and instruct the clerk to make the correction. Any inaccuracies in the reporter's record may be corrected by agreement of the parties without the court reporter's recertification. Any dispute regarding the reporter's record that the parties are unable to resolve by agreement must be resolved by the evidentiary panel.

(i) **Appeal from Private Reprimand.** Under TRDP 2.16, in an appeal from a judgment of private reprimand, BODA must mark the record as confidential, remove the attorney's name from the case style, and take any other steps necessary to preserve the confidentiality of the private reprimand.

¹ So in original.

Rule 4.03. Time to File Record

(a) **Timetable.** The clerk's record and reporter's record must be filed within 60 days after the date the judgment is signed. If a motion for new trial or motion to modify the judgment is filed with the evidentiary panel, the clerk's record and the reporter's record must be filed within 120 days from the date the original judgment is signed, unless a modified judgment is signed, in which case the clerk's record and the reporter's record must be filed within 60 days of the signing of the modified judgment. Failure to file either the clerk's record or the reporter's record on time does not affect BODA's jurisdiction, but may result in BODA's exercising its discretion to dismiss the appeal, affirm the judgment appealed from, disregard materials filed late, or apply presumptions against the appellant.

(b) **If No Record Filed.**

(1) If the clerk's record or reporter's record has not been

timely filed, the BODA Clerk must send notice to the party responsible for filing it, stating that the record is late and requesting that the record be filed within 30 days. The BODA Clerk must send a copy of this notice to all the parties and the clerk of the evidentiary panel.

(2) If no reporter's record is filed due to appellant's fault, and if the clerk's record has been filed, BODA may, after first giving the appellant notice and a reasonable opportunity to cure, consider and decide those issues or points that do not require a reporter's record for a decision. BODA may do this if no reporter's record has been filed because:

- (i) the appellant failed to request a reporter's record; or
- (ii) the appellant failed to pay or make arrangements to pay the reporter's fee to prepare the reporter's record, and the appellant is not entitled to proceed without payment of costs.

(c) Extension of Time to File the Reporter's Record.

When an extension of time is requested for filing the reporter's record, the facts relied on to reasonably explain the need for an extension must be supported by an affidavit of the court reporter. The affidavit must include the court reporter's estimate of the earliest date when the reporter's record will be available for filing.

(d) Supplemental Record. If anything material to either party is omitted from the clerk's record or reporter's record, BODA may, on written motion of a party or on its own motion, direct a supplemental record to be certified and transmitted by the clerk for the evidentiary panel or the court reporter for the evidentiary panel.

Rule 4.04. Copies of the Record

The record may not be withdrawn from the custody of the BODA Clerk. Any party may obtain a copy of the record or any designated part thereof by making a written request to the BODA Clerk and paying any charges for reproduction in advance.

Rule 4.05. Requisites of Briefs

(a) Appellant's Filing Date. Appellant's brief must be filed within 30 days after the clerk's record or the reporter's record is filed, whichever is later.

(b) Appellee's Filing Date. Appellee's brief must be filed within 30 days after the appellant's brief is filed.

(c) Contents. Briefs must contain:

- (1) a complete list of the names and addresses of all parties to the final decision and their counsel;
- (2) a table of contents indicating the subject matter of each issue or point, or group of issues or points, with page references where the discussion of each point relied on may be found;
- (3) an index of authorities arranged alphabetically and

indicating the pages where the authorities are cited;

(4) a statement of the case containing a brief general statement of the nature of the cause or offense and the result;

(5) a statement, without argument, of the basis of BODA's jurisdiction;

(6) a statement of the issues presented for review or points of error on which the appeal is predicated;

(7) a statement of facts that is without argument, is supported by record references, and details the facts relating to the issues or points relied on in the appeal;

(8) the argument and authorities;

(9) conclusion and prayer for relief;

(10) a certificate of service; and

(11) an appendix of record excerpts pertinent to the issues presented for review.

(d) Length of Briefs; Contents Included and Excluded.

In calculating the length of a document, every word and every part of the document, including headings, footnotes, and quotations, must be counted except the following: caption, identity of the parties and counsel, statement regarding oral argument, table of contents, index of authorities, statement of the case, statement of issues presented, statement of the jurisdiction, signature, proof of service, certificate of compliance, and appendix. Briefs must not exceed 15,000 words if computer-generated, and 50 pages if not, except on leave of BODA. A reply brief must not exceed 7,500 words if computer-generated, and 25 pages if not, except on leave of BODA. A computer generated document must include a certificate by counsel or the unrepresented party stating the number of words in the document. The person who signs the certification may rely on the word count of the computer program used to prepare the document.

(e) Amendment or Supplementation. BODA has discretion to grant leave to amend or supplement briefs.

(f) Failure of the Appellant to File a Brief. If the appellant fails to timely file a brief, BODA may:

- (1) dismiss the appeal for want of prosecution, unless the appellant reasonably explains the failure, and the appellee is not significantly injured by the appellant's failure to timely file a brief;
- (2) decline to dismiss the appeal and make further orders within its discretion as it considers proper; or
- (3) if an appellee's brief is filed, regard that brief as correctly presenting the case and affirm the evidentiary panel's judgment on that brief without examining the record.

Rule 4.06. Oral Argument

(a) Request. A party desiring oral argument must note the

request on the front cover of the party's brief. A party's failure to timely request oral argument waives the party's right to argue. A party who has requested argument may later withdraw the request. But even if a party has waived oral argument, BODA may direct the party to appear and argue. If oral argument is granted, the clerk will notify the parties of the time and place for submission.

(b) **Right to Oral Argument.** A party who has filed a brief and who has timely requested oral argument may argue the case to BODA unless BODA, after examining the briefs, decides that oral argument is unnecessary for any of the following reasons:

- (1) the appeal is frivolous;
- (2) the dispositive issue or issues have been authoritatively decided;
- (3) the facts and legal arguments are adequately presented in the briefs and record; or
- (4) the decisional process would not be significantly aided by oral argument.

(c) **Time Allowed.** Each party will have 20 minutes to argue. BODA may, on the request of a party or on its own, extend or shorten the time allowed for oral argument. The appellant may reserve a portion of his or her allotted time for rebuttal.

Rule 4.07. Decision and Judgment

(a) **Decision.** BODA may do any of the following:

- (1) affirm in whole or in part the decision of the evidentiary panel;
- (2) modify the panel's findings and affirm the findings as modified;
- (3) reverse in whole or in part the panel's findings and render the decision that the panel should have rendered; or
- (4) reverse the panel's findings and remand the cause for further proceedings to be conducted by:
 - (i) the panel that entered the findings; or
 - (ii) a statewide grievance committee panel appointed by BODA and composed of members selected from the state bar districts other than the district from which the appeal was taken.

(b) **Mandate.** In every appeal, the BODA Clerk must issue a mandate in accordance with BODA's judgment and send it to the evidentiary panel and to all the parties.

Rule 4.08. Appointment of Statewide Grievance Committee

If BODA remands a cause for further proceedings before a statewide grievance committee, the BODA Chair will appoint the statewide grievance committee in accordance with TRDP 2.27 [2.26]. The committee must consist of six members: four attorney members and two public members

randomly selected from the current pool of grievance committee members. Two alternates, consisting of one attorney and one public member, must also be selected. BODA will appoint the initial chair who will serve until the members of the statewide grievance committee elect a chair of the committee at the first meeting. The BODA Clerk will notify the Respondent and the CDC that a committee has been appointed.

Rule 4.09. Involuntary Dismissal

Under the following circumstances and on any party's motion or on its own initiative after giving at least ten days' notice to all parties, BODA may dismiss the appeal or affirm the appealed judgment or order. Dismissal or affirmance may occur if the appeal is subject to dismissal:

- (a) for want of jurisdiction;
- (b) for want of prosecution; or
- (c) because the appellant has failed to comply with a requirement of these rules, a court order, or a notice from the clerk requiring a response or other action within a specified time.

V. PETITIONS TO REVOKE PROBATION

Rule 5.01. Initiation and Service

(a) Before filing a motion to revoke the probation of an attorney who has been sanctioned, the CDC must contact the BODA Clerk to confirm whether the next regularly available hearing date will comply with the 30-day requirement of TRDP. The Chair may designate a three-member panel to hear the motion, if necessary, to meet the 30-day requirement of TRDP 2.23 [2.22].

(b) Upon filing the motion, the CDC must serve the Respondent with the motion and any supporting documents in accordance with TRDP 2.23 [2.22], the TRCP, and these rules. The CDC must notify BODA of the date that service is obtained on the Respondent.

Rule 5.02. Hearing

Within 30 days of service of the motion on the Respondent, BODA must docket and set the matter for a hearing and notify the parties of the time and place of the hearing. On a showing of good cause by a party or on its own motion, BODA may continue the case to a future hearing date as circumstances require.

VI. COMPULSORY DISCIPLINE

Rule 6.01. Initiation of Proceeding

Under TRDP 8.03, the CDC must file a petition for compulsory discipline with BODA and serve the Respondent in accordance with the TRDP and Rule 1.06 of these rules.

Rule 6.02. Interlocutory Suspension

(a) **Interlocutory Suspension.** In any compulsory proceeding under TRDP Part VIII in which BODA

determines that the Respondent has been convicted of an Intentional Crime and that the criminal conviction is on direct appeal, BODA must suspend the Respondent's license to practice law by interlocutory order. In any compulsory case in which BODA has imposed an interlocutory order of suspension, BODA retains jurisdiction to render final judgment after the direct appeal of the criminal conviction is final. For purposes of rendering final judgment in a compulsory discipline case, the direct appeal of the criminal conviction is final when the appellate court issues its mandate.

(b) **Criminal Conviction Affirmed.** If the criminal conviction made the basis of a compulsory interlocutory suspension is affirmed and becomes final, the CDC must file a motion for final judgment that complies with TRDP 8.05.

(1) If the criminal sentence is fully probated or is an order of deferred adjudication, the motion for final judgment must contain notice of a hearing date. The motion will be set on BODA's next available hearing date.

(2) If the criminal sentence is not fully probated:

(i) BODA may proceed to decide the motion without a hearing if the attorney does not file a verified denial within ten days of service of the motion; or

(ii) BODA may set the motion for a hearing on the next available hearing date if the attorney timely files a verified denial.

(c) **Criminal Conviction Reversed.** If an appellate court issues a mandate reversing the criminal conviction while a Respondent is subject to an interlocutory suspension, the Respondent may file a motion to terminate the interlocutory suspension. The motion to terminate the interlocutory suspension must have certified copies of the decision and mandate of the reversing court attached. If the CDC does not file an opposition to the termination within ten days of being served with the motion, BODA may proceed to decide the motion without a hearing or set the matter for a hearing on its own motion. If the CDC timely opposes the motion, BODA must set the motion for a hearing on its next available hearing date. An order terminating an interlocutory order of suspension does not automatically reinstate a Respondent's license.

VII. RECIPROCAL DISCIPLINE

Rule 7.01. Initiation of Proceeding

To initiate an action for reciprocal discipline under TRDP Part IX, the CDC must file a petition with BODA and request an Order to Show Cause. The petition must request that the Respondent be disciplined in Texas and have attached to it any information concerning the disciplinary matter from the other jurisdiction, including a certified copy of the order or judgment rendered against the Respondent.

Rule 7.02. Order to Show Cause

When a petition is filed, the Chair immediately issues a show cause order and a hearing notice and forwards them to the CDC, who must serve the order and notice on the Respondent. The CDC must notify BODA of the date that service is obtained.

Rule 7.03. Attorney's Response

If the Respondent does not file an answer within 30 days of being served with the order and notice but thereafter appears at the hearing, BODA may, at the discretion of the Chair, receive testimony from the Respondent relating to the merits of the petition.

VIII. DISTRICT DISABILITY COMMITTEE HEARINGS

Rule 8.01. Appointment of District Disability Committee

(a) If the evidentiary panel of the grievance committee finds under TRDP 2.17(P)(2), or the CDC reasonably believes under TRDP 2.14(C), that a Respondent is suffering from a disability, the rules in this section will apply to the de novo proceeding before the District Disability Committee held under TRDP Part XII.

(b) Upon receiving an evidentiary panel's finding or the CDC's referral that an attorney is believed to be suffering from a disability, the BODA Chair must appoint a District Disability Committee in compliance with TRDP 12.02 and designate a chair. BODA will reimburse District Disability Committee members for reasonable expenses directly related to service on the District Disability Committee. The BODA Clerk must notify the CDC and the Respondent that a committee has been appointed and notify the Respondent where to locate the procedural rules governing disability proceedings.

(c) A Respondent who has been notified that a disability referral will be or has been made to BODA may, at any time, waive in writing the appointment of the District Disability Committee or the hearing before the District Disability Committee and enter into an agreed judgment of indefinite disability suspension, provided that the Respondent is competent to waive the hearing. If the Respondent is not represented, the waiver must include a statement affirming that the Respondent has been advised of the right to appointed counsel and waives that right as well.

(d) All pleadings, motions, briefs, or other matters to be filed with the District Disability Committee must be filed with the BODA Clerk.

(e) Should any member of the District Disability Committee become unable to serve, the BODA Chair must appoint a substitute member.

Rule 8.02. Petition and Answer

(a) **Petition.** Upon being notified that the District Disability Committee has been appointed by BODA, the

CDC must, within 20 days, file with the BODA Clerk and serve on the Respondent a copy of a petition for indefinite disability suspension. Service must comply with Rule 1.06.

(b) **Answer.** The Respondent must, within 30 days after service of the petition for indefinite disability suspension, file an answer with the BODA Clerk and serve a copy of the answer on the CDC.

(c) **Hearing Setting.** The BODA Clerk must set the final hearing as instructed by the chair of the District Disability Committee and send notice of the hearing to the parties.

Rule 8.03. Discovery

(a) **Limited Discovery.** The District Disability Committee may permit limited discovery. The party seeking discovery must file with the BODA Clerk a written request that makes a clear showing of good cause and substantial need and a proposed order. If the District Disability Committee authorizes discovery in a case, it must issue a written order. The order may impose limitations or deadlines on the discovery.

(b) **Physical or Mental Examinations.** On written motion by the Commission or on its own motion, the District Disability Committee may order the Respondent to submit to a physical or mental examination by a qualified healthcare or mental healthcare professional. Nothing in this rule limits the Respondent's right to an examination by a professional of his or her choice in addition to any exam ordered by the District Disability Committee.

(1) Motion. The Respondent must be given reasonable notice of the examination by written order specifying the name, address, and telephone number of the person conducting the examination.

(2) Report. The examining professional must file with the BODA Clerk a detailed, written report that includes the results of all tests performed and the professional's findings, diagnoses, and conclusions. The professional must send a copy of the report to the CDC and the Respondent.

(c) **Objections.** A party must make any objection to a request for discovery within 15 days of receiving the motion by filing a written objection with the BODA Clerk. BODA may decide any objection or contest to a discovery motion.

Rule 8.04. Ability to Compel Attendance

The Respondent and the CDC may confront and cross-examine witnesses at the hearing. Compulsory process to compel the attendance of witnesses by subpoena, enforceable by an order of a district court of proper jurisdiction, is available to the Respondent and the CDC as provided in TRCP 176.

Rule 8.05. Respondent's Right to Counsel

(a) The notice to the Respondent that a District Disability Committee has been appointed and the petition for

indefinite disability suspension must state that the Respondent may request appointment of counsel by BODA to represent him or her at the disability hearing. BODA will reimburse appointed counsel for reasonable expenses directly related to representation of the Respondent.

(b) To receive appointed counsel under TRDP 12.02, the Respondent must file a written request with the BODA Clerk within 30 days of the date that Respondent is served with the petition for indefinite disability suspension. A late request must demonstrate good cause for the Respondent's failure to file a timely request.

Rule 8.06. Hearing

The party seeking to establish the disability must prove by a preponderance of the evidence that the Respondent is suffering from a disability as defined in the TRDP. The chair of the District Disability Committee must admit all relevant evidence that is necessary for a fair and complete hearing. The TRE are advisory but not binding on the chair.

Rule 8.07. Notice of Decision

The District Disability Committee must certify its finding regarding disability to BODA, which will issue the final judgment in the matter.

Rule 8.08. Confidentiality

All proceedings before the District Disability Committee and BODA, if necessary, are closed to the public. All matters before the District Disability Committee are confidential and are not subject to disclosure or discovery, except as allowed by the TRDP or as may be required in the event of an appeal to the Supreme Court of Texas.

IX. DISABILITY REINSTATEMENTS

Rule 9.01. Petition for Reinstatement

(a) An attorney under an indefinite disability suspension may, at any time after he or she has been suspended, file a verified petition with BODA to have the suspension terminated and to be reinstated to the practice of law. The petitioner must serve a copy of the petition on the CDC in the manner required by TRDP 12.06. The TRCP apply to a reinstatement proceeding unless they conflict with these rules.

(b) The petition must include the information required by TRDP 12.06. If the judgment of disability suspension contained terms or conditions relating to misconduct by the petitioner prior to the suspension, the petition must affirmatively demonstrate that those terms have been complied with or explain why they have not been satisfied. The petitioner has a duty to amend and keep current all information in the petition until the final hearing on the merits. Failure to do so may result in dismissal without notice.

(c) Disability reinstatement proceedings before BODA are not confidential; however, BODA may make all or any part of the record of the proceeding confidential.

Rule 9.02. Discovery

The discovery period is 60 days from the date that the petition for reinstatement is filed. The BODA Clerk will set the petition for a hearing on the first date available after the close of the discovery period and must notify the parties of the time and place of the hearing. BODA may continue the hearing for good cause shown.

Rule 9.03. Physical or Mental Examinations

(a) On written motion by the Commission or on its own, BODA may order the petitioner seeking reinstatement to submit to a physical or mental examination by a qualified healthcare or mental healthcare professional. The petitioner must be served with a copy of the motion and given at least seven days to respond. BODA may hold a hearing before ruling on the motion but is not required to do so.

(b) The petitioner must be given reasonable notice of the examination by written order specifying the name, address, and telephone number of the person conducting the examination.

(c) The examining professional must file a detailed, written report that includes the results of all tests performed and the professional's findings, diagnoses, and conclusions. The professional must send a copy of the report to the parties.

(d) If the petitioner fails to submit to an examination as ordered, BODA may dismiss the petition without notice.

(e) Nothing in this rule limits the petitioner's right to an examination by a professional of his or her choice in addition to any exam ordered by BODA.

Rule 9.04. Judgment

If, after hearing all the evidence, BODA determines that the petitioner is not eligible for reinstatement, BODA may, in its discretion, either enter an order denying the petition or direct that the petition be held in abeyance for a reasonable period of time until the petitioner provides additional proof as directed by BODA. The judgment may include other orders necessary to protect the public and the petitioner's potential clients.

X. APPEALS FROM BODA TO THE SUPREME COURT OF TEXAS**Rule 10.01. Appeals to the Supreme Court**

(a) A final decision by BODA, except a determination that a statement constitutes an inquiry or a complaint under TRDP 2.10, may be appealed to the Supreme Court of Texas. The clerk of the Supreme Court of Texas must docket an appeal from a decision by BODA in the same manner as a petition for review without fee.

(b) The appealing party must file the notice of appeal directly with the clerk of the Supreme Court of Texas within 14 days of receiving notice of a final determination by BODA. The record must be filed within 60 days after

BODA's determination. The appealing party's brief is due 30 days after the record is filed, and the responding party's brief is due 30 days thereafter. The BODA Clerk must send the parties a notice of BODA's final decision that includes the information in this paragraph.

(c) An appeal to the Supreme Court is governed by TRDP 7.11 and the TRAP.
