CAUSE NO. 73113

**ORDER DENYING APPELLANT'S EMERGENCY MOTION FOR STAY
OF SUSPENSION PENDING APPEAL AND MOTION FOR RECONSIDERATION
DUE TO INVOLUNTARY MEDICAL ABSENCE**

On this day, the Board considered the Emergency Motion for Stay of Suspension Pending Appeal and Motion for Reconsideration Due to Involuntary Medical Absence filed by the Appellant, Martin S. Wozniak, in the above-numbered and captioned evidentiary appeal. After considering the pleadings filed by the parties, the Board **DENIES** Appellant's motion.

In accordance with BODA Internal Procedural Rule 4.03(a), when a motion for new trial has been filed with the evidentiary panel, the reporter's record must be filed within 120 days from the date the original judgment was signed. The attachments to Appellee's Response to the Emergency Motion to Stay indicate that the evidentiary panel signed the Judgment of Partially Probated Suspension on March 31, 2026. Therefore, the reporter's record was due to be filed by July 29, 2026, and is now late. The Board **ORDERS** that the reporter's record be filed within thirty (30) days after the date of this order. Appellant's failure to make arrangements for the filing of the reporter's record by that deadline may result in the Board dismissing the appeal, affirming the judgment, disregarding

late-filed materials, or applying presumptions against Appellant. *See* BODA INTERNAL PROCEDURAL RULES 4.03(a)-(b), 4.09(b).

SIGNED this 4th day of August, 2026.
